

## Resolved Issues

1. Resolved an issue where the signature box would move when attempting to sign. (Issue #7044)
2. Fixed an issue where images taken in landscape mode would be distorted in portrait mode. (Issue #6796)
3. Corrected an issue where check payments would not factor into the job's amount due. (Issue #6917)
4. Increased the visible limit of line items to 10,000. Item list with 10,000 entries or less will be displayed in the item selection window. Lists with more entries must use the 'search by keyword' function instead. (Issue #6950)
5. Redesigned the 'take payment' window for easier use. (Issue #7058)
6. Added a feature to prompt users when selected payment amount does not match the job's total. (Issue #7062)
