

Enhancements

1. You can now see the file type and file size for attachments in Dropbox Files. (Enhancement #9524)
2. The dropdown for selecting from saved payment methods now lists card expiration dates. (Enhancement #9581)
3. If you try to add time charges before you've entered an end timestamp, you will now receive a prompt asking if you would like to add an end timestamp now. (Enhancement #9590)
4. Added an option to pick between Google Maps and Waze for the default navigation app used by iFleet. (Enhancement #9608)

Resolved Issues

1. Added additional time validation to prevent errors recording time data. (Issue #9512)
2. Resolved an issue with attaching photos to Equipment records. (Issue #9557)
3. Fixed an issue with User-Defined Fields formatted as URLs not functioning. (Issue #9635)
